The Churchwardens' Report,

EASTER, 1893.

On assuming office at the beginning of the year just closed, the Churchwardens were confronted with an adverse balance of \$291.68. An appeal was at once made to the Congregation for a special effort to liquate this arrearage, to which a very general response was made, resulting in the sum of \$206.75 being contributed, leaving still a debit balance of \$84.93 from the previous year. As the year drew towards a close it became apparent, that unless a material increase was made in the offertories, a very serious deficit would be the result at Easter. A meeting of the Finance Committee was convened, and, acting on their advice, the Churchwardens again appealed to the Congregation for an extra effort, and the sum of \$372.87 was contributed through the "Deficiency" envelopes towards the desired object.

Notwithstanding, what the Churchwardens consider a generous response to their *special* calls upon the Congregation's liberality, they regret to have to announce a deficit of \$157.60 at the close of the year; and in view of the continued and increasing yearly deficits, they would respectfully submit to the Vestry, the desirability of their taking into consideration, means of obviating the same.

The sum contributed for General Purposes, was \$3408.33, of which \$2119.51 was by open contributions, and \$1193.04 through the Envelope System. This shows an increase of \$197.73 by open contributions and \$140.88 through envelopes over the previous year—a total increase of \$338.61, although there have been but fifty Sundays in the year, as against fifty-five in the preceding year ; being an increase per Sunday of \$7.45 by open contributions, and \$4.73 by envelopes. It will be understood that these figures include the amounts received from the special “ Deficiency ” contributions.

The amount received for Parochial Purposes has been \$4448.25 ; and for Non-Parochial Purposes \$1680.52.

The total income from all sources (omitting the Contributions for the Poor) has been \$6128.77 ; that of last year being \$5643.40—an increase of \$485.37.

\$825.22 has been received from various sources on account of the Sunday School Building Fund. \$127.52 of this amount was generously given by the Rector, being the amount of his share of the St. James' Rectory Surplus Fund ; \$525.85, proceeds of the Annual Collection ; \$78.35, of the Sunday School Children's Concerts, and \$53.00 the proceeds of the Choir Concert. \$600.00 has been paid on account of Mortgage Principal, besides paying the current interest, leaving a balance of \$3000.00 on Mortgage.

Owing to the unsanitary condition of the Cottage premises, and on notification from the health officials, it was found necessary to put in entire new drainage and plumbing work,

at an outlay of \$91.99. The total expenditure on account of Cottage, has been \$182.26, being \$72.66 in excess of receipts for rental.

The estimates for the present year amount to \$3717.08, to meet which, an average weekly offertory of \$74.35 will be required.

The Churchwardens desire to convey to the ladies of the Congregation their thanks for the assistance so freely rendered them from time to time, in work connected with the Church.

All of which is respectfully submitted.

We are glad to see an improvement alike in the number of persons contributing by Envelopes and in the total amount so given, and we thank those members of the congregation who have taken Envelopes and so aided us in our work.

Your Committee are of opinion that it is of the utmost importance that the members of the Congregation should

more generally adopt the Envelope System than they have yet done, if they desire the work of this parish to be efficiently carried on.

They submit that it is not fair to expect our brethren to undertake the responsible duties of Churchwardens, and to look to them to keep the finances straight, unless we do our duty in giving generously and systematically to the support of the Church.

The Envelope System is especially valuable in a free-seated Church, such as ours is, in that it, so far as it is adopted, assures to the Wardens a reliable income ; but in our case at present this assured income is not more than one-third of what is actually required.

Many of the members of this congregation who do not contribute on the Envelope System seem strangely to forget, that though they absent themselves from the services of this Church for many Sundays in the course of the year, yet the services have to be carried on whether they are absent or present, and that the expenses cannot be in any way diminished on account of their absence ; and they altogether neglect to make good their accustomed contributions to the offertory which they have omitted during their absence. This difficulty would be obviated by their adopting the Envelope System of contributing.

We earnestly trust that our successors may persevere in endeavouring to increase the numbers on the Envelope list.

We think that not only adults but children also should be encouraged to give in this way.

All of which is respectfully submitted.

Girls' Friendly Society.

The work in our Branch goes on steadily, though we cannot report any great increase in numbers. Parochial work has been done during the year in the way of making garments for children, which were duly handed to Mrs. Pearson, to be given away as she saw fit; also in helping to provide for the Christmas Tree in our Infant Sunday School. At present the Girls have undertaken to clothe a Boy for the year, at the Gordon School, Touchwood, in the North-West. Mrs. Mockridge holds a Bible Class for the members the second Monday in every month, which is much appreciated.

The Annual Gathering of all the Branches takes place in Holy Trinity School House on the evening of the 27th of April, when we hope to have a bright and happy meeting, and so “strengthen each other's hands” for further work during the year.

H. M. SULLIVAN, *Associate.*

Brotherhood of S. Andrew.

The Chapter has held regular meetings during the year, with a slight increase in the average attendance.

The Bible Class in connection with the Chapter has met weekly under the leadership of Dr. Mockridge, it is hoped that more men of the Congregation will take advantage of this class in the coming year.

Some of the members have endeavoured to assist the Clergy in their Parish visiting, and have we think been able to lighten their heavy labor in this way.

The Chapter continues to be fairly strong, and has hopes for good work during the coming year.

The officers are as follows :

<i>Director,</i>		Rev. C. H. Mockridge, D.D.
<i>Vice-Director,</i>		Mr. S. G. Wood.
<i>Secretary,</i>		Mr. H. R. O'Reilly.
<i>Executive Committee.</i> —Messrs. S. Telfer, P. Corridi, H. Morrison, P. Blachford, and H. Adams.		

Church of England Temperance Society.

This branch was organized in June, 1892. The Officers are as follows :—

<i>President,</i>		Rev. C. H. Mockridge, D.D.
<i>Vice-President,</i>		John Quinton.
<i>Secretary,</i>		William Hewitt.
<i>Assistant Secretary,</i>		Miss Edith Warley.
<i>Registrar,</i>		John Brown.
<i>Treasurer,</i>		Miss Florie Densem.
<i>Organist,</i>		Miss F. McAuley.

Executive Committee.—Miss F. Gimbert, Miss G. Quinton, and Messrs. F. Hewitt and A. Quinton.

Since its organization, the Society has enrolled about ninety members, with an average attendance of thirty. During the year they gave a Concert in aid of the School House Building Fund, and realized a small amount for that purpose. A Social was also held during the year.

Band of Hope.

The Band of Hope meets every Friday evening, under the leadership of Miss F. McAuley and Mr. J. Quinton.

The Church Women's Guild.

This band of workers meets every Thursday afternoon. Their first object is to make and keep in repair the Choir Vestments. Surplices are made to order, and other garments are made and sold ; the proceeds of which, and the monthly fee of ten cents, are given to the School House Fund. New members will be cordially received.

The Mothers' Meeting.

This Society was formed for the purpose of enabling the poorer women of the Congregation to assist in providing themselves and their families with clothing. The meetings have been conducted by Mrs. Pearson on Thursday evenings, and have been well attended and much appreciated. Any ladies who would kindly help in this work, would be gladly welcomed.

Magazine.

The Magazine called " Church Work " has a regular circulation. New subscribers can leave their names at the Parsonage. Price 30 cents per annum.

Anniversary Service.

The forty-fifth anniversary service of the consecration of the Church was duly celebrated on Thursday, October 27th, 1892, the Rev. Dr. Mockridge being the preacher.

FORM OF DECLARATION.

*To be signed by Members of the Congregation who desire to become
Members of the Vestry.*

I SOLEMNLY DECLARE that I am a member of the Church of England, and of the Congregation of the Church of the Holy Trinity, Toronto ; that I am of the full age of twenty-one years ; that I am an habitual worshipper with the said Congregation, and have been so for three months next preceding the 1st day of January instant ; that I am not registered as a member of any other Congregation ; and that during the three months above mentioned I have not voted, nor do I intend to vote, as a member of any other congregation, at an Election of Lay Representatives in the next Synod.

This declaration is to be signed by all male members of the Congregation desiring to take part in the Vestry, during the first fifteen days of January, in a book kept by the Churchwardens for the purpose ; but persons who have already signed it, and who are still recognized by the Churchwardens as entitled to vote at the next election of Lay Representatives of the Congregation in Synod, need not sign it again.

On or before the 22nd January in each year, the Churchwardens are to put up an alphabetical list in the vestibule of the Church, of those they admit entitled to vote ; and any male member of the Congregation whose name is not on the list so posted up, may apply up to the 15th February to the Churchwardens for permission to sign the Declaration, and have his name added to the list.

Those only who are on the list as finally settled are entitled to act as members of the Vestry and to vote for delegates of this Congregation to the Diocesan Synod for the then ensuing year.
